What is the LPP/AFC Talent Academy?

The Talent Academy is a joint venture between LPP and AFC which offers targeted physical and sporting activities to develop the potential of each child. The latter will be trained, guided, observed and evaluated during specific activities by French coaches qualified in different disciplines. The aim is to identify, develop and strengthen children's physical and emotional abilities, and preferences.

Why the LPP/AFC Talent academy useful for children?

Termly, coaches will meet parents to discuss about their child's progress and give a mini assessment report. At the end of the school year, parents will be provided with a complete report of their child, which will enable them to choose the sport(s) in which he/she will later excel.
